In Appreciation

As each new student becomes familiar with the sights and sounds of York High School, he inevitably notices a person dear and unforgettable in the hearts and minds of all who have associated with him. For his devotedness, interest, sincere understanding and encouragement, and his humorous nonconformity we, the Senior Class, proudly dedicate the 1962 Falcon to Mr. Steve Zalumas.

In Room 101 Mr. Zalumas chats with seniors.

Mr. Zalumas willingly helps Nancy Phelps.

ACADEMICS

YHS Is the Sight of Academic Growth

Nan Eddins awaits the return of her Spanish test paper.

Martha Price listens attentively to Miss William's French explanation.

"Now once more people; amo, amas, amat . . ."

German may be difficult for a few, but sometimes it's fun. Right, Jack?

Through Study of English and the Foreign Languages

Mrs. Duke examines bulletin of student creative writing published by English Department.

Students learn French in language lab.

Mrs. Smith makes grammar SO enjoyable to seniors. Look at the smiles.

YHS Is the Echo of Teacher-Pupil Class

Mr. Richardson explains a trig problem to Dwight Lee.

Every Chemistry student eventually learns the art of the slide rule.

Mrs. Hansford points out the many Geographical Landmarks to her students.

Discussion and Exchange of Ideas

In Biology, one learns why it hurts when you smash your thumb.

BELOW - Willie Keen appears to be trying to add something to government class, but Mr. Anderson isn't listening.

Mrs. Matney, assists Myrna Taylor with the dictaphone, one of the many machines used in office practice.

Typing is a skill that is useful in all courses.

The Enjoyment of

In Electronics Class, the boys seem to be mixing business with pleasure.

This year commercial students are offered advanced typing.

Developing and Perfecting Skills,

Shorthand is sometimes difficult.

Liverman, when you're in Mechanical Drawing class, draw!

The Beauty and Pleasure of

ABOVE - Led by Mr. Redhair, the band practices daily.

BELOW - Christmas decorations were provided by the Art Classes.

ABOVE - The Falcon majorettes gracefully complemented the marching band.

A pinch of this, a dash of that, now stand back and stir for art's sake.

Creativity and Cultural Growth

Chuck Hadden and Candy Metz are active in Mrs. McCluney's Speech Class. Candy won first place in the "I Speak for Democracy" contest in district competition.

One of the favorite courses in Home Economics is cooking.

Some Home Ec. classes do weird things; this class is one of them.

YHS Is the Building of Strong Bodies

ABOVE - Murder ball, the scourge of boys gym classes, teaches one to avoid being murdered.

Exhausted, a girls gym class awaits the dismissal bell.

Skill and good sportsmanship are cultivated with time, experience, and guidance.

and the Choosing of a Worthy Career

Coaches Hovis and Smith organized and supervised a junior high basketball team.

TOP - College Day was beneficial to many college bound students. BOTTOM - Ann Brownback and Norma Johnson questioned some representatives further at the reception.

Principal, York High School

I am proud to be a part of such a wonderful student body and faculty. I hope, with the aid of the faculty, to give each student of York High the best possible opportunity for future success.

Success is defined in many different ways. Regardless of your own definition, keep in mind that to be really successful you must develop a faith fit to live by, a self fit to live with, a work fit to live for, and someone to love and be loved by.

Good luck and may God bless each and every one of you.

Your friend,

John H. Stevens

Mr. Stevens, as seen at the end of a busy day.

the Student Cooperative Association

The S.C.A. of York High School is an organization that not only governs the students, but tries to bring about a better relationship among the students and teachers. Projects such as the Christmas and Thanksgiving drive give the students a feeling of unity as well as responsibility. During the past year, the S.C.A. has sponsored several other projects such as dances and the "Miss York High School" contest to aid in purchasing worthwhile and useful gifts for the school.

"I have enjoyed being president of the S.C.A. this year and working with my fellow students. Our school has grown rapidly and we have not been able to adjust to the sudden change. It is here that the S.C.A. must begin with its vital functions. This past year the student council has developed a program that will better school life and help the students to find the true aspects of school life. I encourage and challenge the student government and the student body of future years to keep up with this idea of a better York High School."

The Falcon Staff

Guided by our consciencious sponsor, Mrs. Elizabeth Smith, the Falcon Staff has worked diligently this year to make this 1962 annual the best ever at York. This could only be possible through the co-operation of the entire student body.

We began organizing in the summer and when September came, the staff as a unit worked to sell ads in order to finance the yearbook. With these ads we met our first deadline and were squared away to meet the succeeding four.

The remaining time was spent mainly in scheduling pictures, drawing up pages and writing copy. The typists and proofreaders of course, played a major part in these operations. We met our last deadline with relief and settled down to wait for the proof.

The Falcon staff sincerely hopes you will find many pleasant memories in your "school life." We have immensely enjoyed making OUR contributions to York.

and Dance

The Key Club waged a vigorous school-wide campaign in support of the Polio Drive (see right) and collected approximately three hundred dollars for the March of Dimes Program. At the close of the drive a dance was held in the cafeteria after the basketball game with James Blair on February 9. The ninth grade candidates for king and queen, Kenny Pargeter and Gail Bruce, were crowned because the ninth grade had donated the largest sum of all the grades in the school.

The Key Club of York High School is a service organization for boys in the 10th, 11th, and 12th grades. It is sponsored by the Peninsula Kiwanis Club and our school sponsor is Mr. Anderson. The purpose of the Key Club is to serve the school and the community. This year the Key Club sponsored the March of Dimes Campaign from which they netted about \$300. They also sponsored a used book sale, bookcover sale, pennant sale, two dances, and dress up day in school. In the community, the Key Club went to various churches throughout the area and were ushers at Langley Field's Kid's Day. The Key Club is a tribute to both the school and community.

BELOW: Jack Magee, President, and Mr. Anderson, Sponsor, discuss the March of Dimes campaign with officers and board members.

The York High Falcon Band engaged in a host of activities this year. During football season, band members prepared a half-time performance for each weekend game. The annual combined show by the Newport News and York bands is one of the few in Virginia. Later in the year the band journeyed to Winchester for the Apple Blossom Festival. The Falcons have marched in Yorktown and Williamsburg Christmas parades and the Armed Forces Parade. The annual spring concerts are another highlight of the year.

Varsity Football

The York High Falcon gridders 4-6 record did not reflect the spirit and hustle displayed. After dropping their opener to Group I Newport News, they came roaring back with a victory over Smithfield (6-0) and an upset over Group I Hampton (13-6). Then York found they could not rest on their laurels when they were defeated by rival Poquoson (13-6) and a week later by Group I Oscar Smith. York's head, however, was "bludgeoned but unbowed," and the Falcons proved it twice in succession by defeating James Blair on rain soaked Carey Field (13-0) and again against Gloucester (7-0) the following week. However the win over Gloucester proved to be the Falcons last victory of the season. In each of the last three games, the Falcons scored only 7 points while the opposition - Northampton, Deep Creek, and Warwick scored 20, 40, and 33 points respectively. This concluded the Falcons' last season as a Group II school and they are looking forward to next year when they will be competing in Group I.

Falcons Experience Disappointing Season

This year the Basketball Falcons got off to a promising start by losing by only 3 points to Deep Creek, one of the best teams in the district. After two more losses to Group I Hampton and Warwick, they came back after Christmas vacation with a 4 game winning streak, beating Northampton, Deep Creek, Poquoson, and Gloucester which put them in second place. The team then experienced an 8 game losing streak closing out the season at 4-11.

Dan,

As one track buddy to another keep up the good work. I'm glad you finally got in the Key Club. Do good work next year in all you do. I know you'll have a great senior year - Lots of Luck - Jack Magee

1961 Track Team Won Second Place in State

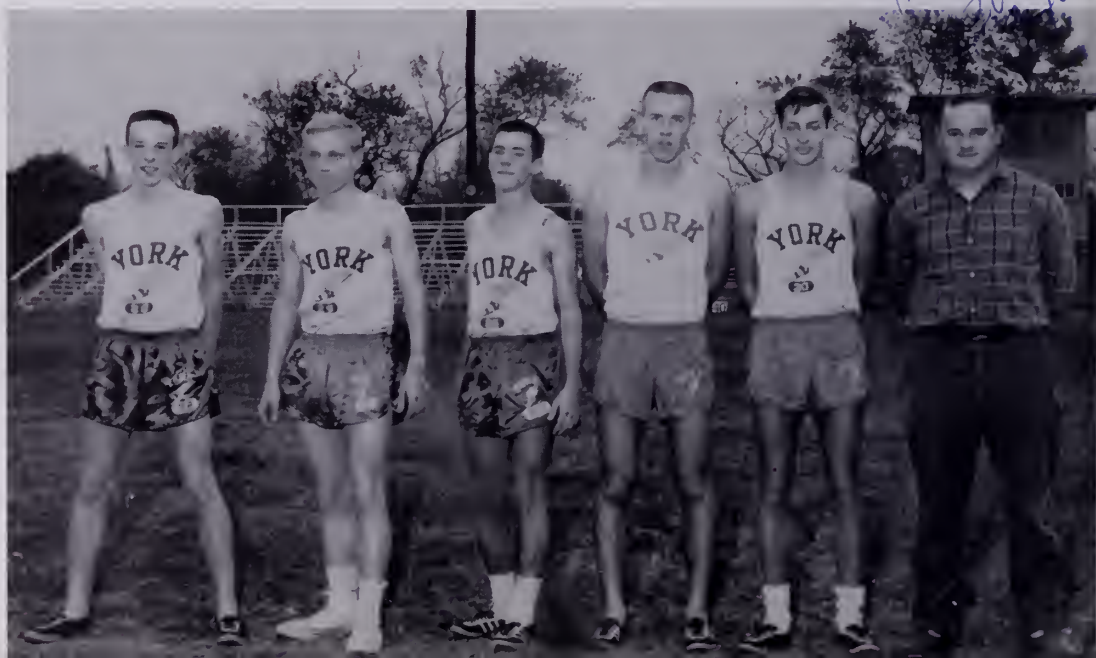

Last year York High's Falcon mentors brought the eyes of the state upon York High. The main attractions were discus thrower Bill Holt, the mile relay team and high jumper, John Rock. These six went to the State Meet and brought York second place in State-wide Competition, taking four first places. Holt, who had a 166 foot toss during the season, took first in the discus and shotput. High jumper John Rock tied for first. York's crack mile relay team composed of Don Burke, John Hobbs, Jack Magee, Hal Wilbanks, took first in the mile relay, coming close to a state record. The mile-relay team also took first place in the Pilot Relays with a record breaking time. These track mentors and the many others who worked hard at York in 1961 will always be remembered for their great showing.

With the shadow of Group I looming over the Falcons, the Athletic Department initiated a cross country team. Under the direction of Coach Charles Hovis, the Falcon Harriers won great acclaim for York High at the State Country meet (Combination of Group IB, II, III). Next year, with the rising young talent, the cross-country team should have a great year.

Wrestling Team Has Active Schedule

This year the Falcon wrestling team suffered the pains of a young team entering into the seasoned competition of Group I. Their 1-6 season record does not reflect their hustle and determination showed by the young grapplers. With this year's experience under their belt, the wrestling team, we believe, will have good luck in next year's competition.

Falconnettes Overcome Stiff Competition During Basketball Season

This year the girls team has progressed steadily forward under the coaching of Shirley Weaver. Although only winning half of their games, the girls fought good clean ball all season with the three closing games proving worth the effort. We are really proud of our girls, and with an almost entire squad returning next year, we are looking forward to a winning season with plenty of action. Our success this year was largely due to Coach Shirley Weaver and Co-Captains Pat McClure and Susan Antoniecwiez. (Shown left).
